

EARN 5% FOR YOUR NON-PROFIT ORGANIZATION

Here's How It Works...

Non-profit organizations, such as schools, churches, shelters, etc., may participate in this program for up to three weeks per year, excluding certain holiday weeks.

Upon approval of your application, vouchers in the name of your organization will be issued to you for your selected weeks.

Provide supporters of your organization with these vouchers. When they shop during a designated week, they must sign their name and present vouchers to the cashier prior to checking out.

All vouchers received will be submitted to our corporate headquarters.

At the conclusion of your designated weeks, a donation will be made to your organization within 30 days, based on 5% of the pre-tax purchases made by your supporters.

Please complete and return the application at least 30 days prior to your first shopping week.

For further information, please contact the store manager of your nearest Crosby's Marketplace or Henry's Market.

Distributing vouchers in front of any Crosby's Marketplace or Henry's Market is strictly prohibited.
