Pull-Apart Cupcakes:

Cupcakes set up on a board, and the top frosted to look like a cake:

Pricing will be the number of cupcakes (\$1.29 each), and a \$10 set up fee.

For a picture/drawing on top, then an additional charge starting at \$7.50 (and up) depending on the drawing and number of characters. Sorry, we can not do scanned images to be printed.

Example:

24 cupcakes, set up and decorated with flowers.

24 x \$1.29 = \$30.96, plus the \$10 setup = \$40.96

\$7.50 for a basic drawing- \$40.96 plus \$7.50 = \$48.96

We can also create cupcake cakes in the shape of a cross or an animal! Please order the amount of cupcakes needed (due to the unique designs, additional cupcakes may be needed with an extra charge).
